rmored Mage (Light) (Ex)

[Wizards of the Coast -Player's Handbook II, p.20]

Normally, armor of any type interferes with an arcane spellcaster's gestures, which an cause spells to fail if those spells have a somatic component. A duskblade's nited focus and specialized training, however, allows you to avoid arcane spell illure in light armor and with light shields. This does not apply to heavier armors, shields, or to casting from another class. At 4th level, you learn to use medium armor with no chance of spell failure.PREVARGTEQ:DuskbladeArmoredMageLVL,2 At 7th level, you learn to use a heavy shield with no chance of spell failure.PREVARGTEQ:DuskbladeArmoredMageLVL,3

Feats

Cleave

[Wizards of the Coast -Player's Handbook, p.92]

You can follow through with powerful blows.

If you deal a creature enough damage to make it drop (typically by dropping it to below 0 hit points or killing it), you get an immediate, extra melee attack against another creature within reach. You cannot take a 5-foot step before making this extra attack. The extra attack is with the same weapon and at the same bonus as the attack that dropped the previous creature. You can use this ability 1 per round. Special: A fighter may select Cleave as one of his fighter bonus feats (see page 38).

Power Attack

[Wizards of the Coast -Player's Handbook, p.98]

You can make exceptionally powerful melee attacks.

On your action, before making attack rolls for a round, you may choose to subtract up to 3 from all melee attack rolls and add the same number to all melee damage rolls.

Weapon Focus (Greatsword)

[Wizards of the Coast -Player's Guide to Faerun, p.102]

You are especially good at using this specified weapon.

You gain a +1 bonus on all attack rolls you make using the selected weapon.

Combat Casting

[Wizards of the Coast -Player's Handbook, p.92]

You are adept at casting spells in combat.
